A month of spiritual training

Mgr. Carlo Maria Viganò

Dear Friends and Benefactors,

at the beginning of the month dedicated to Our Lady, it is normal to recommend the daily recitation of the Holy Rosary, which is a most powerful weapon against Satan and his servants. And yet, this month of October sees us called to an extra spiritual commitment, due to a great threat hanging over the current Synod, where a conventicle of corrupt and heretical Prelates is pushing through the blessing of homosexual couples, the admission of women to Holy Orders, synodality in Church government, and the absolution of those who have no intention of sinning any more. The methods used in this Synod - after the experience of the previous ones - are identical to those adopted by communist regimes, experts in the manipulation of consensus. Added to this, in a disturbing *crescendo*, are new documents by Bergoglio, in which he abuses the authority granted to

Mass intentions

Priests - secular and religious - can also be helped by asking them to celebrate holy Masses according to specific intentions.

It is possible to ask for the celebration of **Masses in the Tridentine rite** for particular intentions or of funeral masses:

- one Mass
- a triduum of Masses
- an octave of Masses
- Gregorian Masses

The offerings for the Holy Masses will be allocated by *Exsurge Domine* to the priests who, due to their loyalty to tradition, are persecuted by the Bergoglian church.

On the official website of the Association there is a special section to indicate the name of the offerer, the intention of mass and all the other details.

Requests for prayers

It is also possible to send a request for prayers via email:

info@exsurgedomine.org

The priests and religious of *Exsurge Domine* will be happy to pray for you, for your loved ones, and for particular intentions that are close to you.

him to impose the new dogmas of the globalist agenda, even venturing into scientific matters over which he has no magisterial power; on the other hand, Faith and Morals are systematically "deconstructed", separating the enunciation of doctrine from pastoral practice.

We well believe that the Holy Spirit guards the Catholic Church and that the Lord guides her as the Head of the Mystical Body; but we also know that she is today eclipsed by a sect of heretics and corrupts who have no intention of giving up their subversive aims: to demolish the Church from within, turning her into the handmaiden of the New World Order. This attack is the work of an apostate and traitorous Hierarchy, usurping the authority Our Lord gave His Ministers to save souls, not to damn them. I spoke about this recently in regard to Bergoglio's *lack of consent* in assuming the Papacy ([here](#)) and I trust that these arguments will find consensus among my Brothers in the Episcopate, so that the subversive attack of the Santa Marta sect will finally be revealed.

I urge you, dear Friends, to prepare yourselves for this spiritual combat by training in the gymnasium of Faith, first of all with the powerful prayer of the Rosary, and together with it by reciting throughout the month of October the prayer to Christ the King and High Priest, to implore defence and protection for the Holy Church in these hours of confusion and darkness.

I would like to express my profound and heartfelt thanks for the generosity with which many of you support our activities, and in particular the project for the Monastic Village for the Benedictine nuns of Pienza. Beyond the (few) more conspicuous donations, I cannot fail to notice many small offerings that come to *Exsurge Domine* from people for whom - especially in this time of global economic crisis - even a simple almsgiving represents a sacrifice particularly pleasing in the eyes of God: to all of you, who give from the heart, I respond with heartfelt gratitude. **I would like you to know that every first Friday and Saturday of the month I celebrate the Holy Sacrifice according to the intentions of the Friends and Benefactors of *Exsurge Domine*.** You are also remembered in the prayers by the priests, religious men and women whom we help through your charity.

Count Vannicelli Casoni, President of *Exsurge Domine*, updates you in this issue of the Newsletter on the progress of the works, which have continued over the summer. We trust in Divine

Prayer to Christ King and High Priest to implore protection for the Holy Church

LORD JESUS CHRIST, King and High Priest of the Holy Church, Who ordered Saint Peter, Prince of the Apostles, to feed the sheep and lambs of Thy flock, giving him the Holy Keys to the Kingdom of Heaven: turn Thy gaze to the Church Militant on earth, besieged by external and internal enemies who plot Her destruction and seek the ruin of the souls Thou hast redeemed with Thy Most Precious Blood.

We, prostrate before Thine altar, recognize Thee as our King and Lord, and we offer homage to Thee as the Supreme High Priest of the Mystical Body.

For too long, Lord, we have disgusted Thee with our lukewarmness; for too long we have silently witnessed the betrayal of Thy holy Law; for too long we have confused the virtue of Obedience with vile servility.

We remained silent when Thy doctrine was denied by infidel mercenaries; we tolerated Thy Holy Sacrifice being adulterated and tampered with; we looked away while Thou was offended and profaned in the Blessed Sacrament, we put human respect and the spirit of the world ahead of the duty to bear witness to Thy Name and profess the Faith that Thou hast taught us.

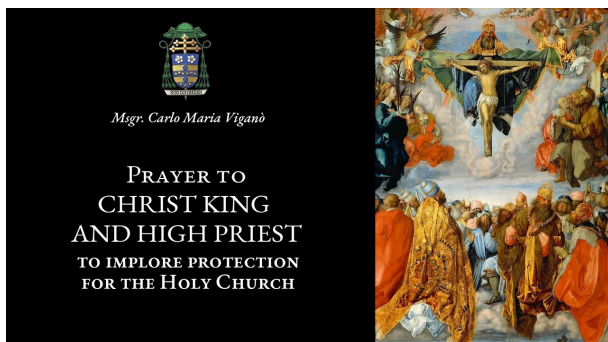

How we could be surprised today that, in the face of so much tepidity, so many betrayals, Thy Justice rightly punishes us with the severity of the Father offended by his ungrateful children?

And how could we hope for Thy Mercy, when we have denied Thee more times than Peter, when we have worshipped the golden calf, just like, and even worse than, the Jews in the desert?

We dare not lift our gaze towards the Throne of Thy Majesty, because we fear meeting the face of wrath and anger that our innumerable personal and social faults have heaped upon our heads.

Allow us therefore, Lord Jesus Christ, Son of the Eternal Father, to turn to Thy Most Holy Mother, Our Lady and Queen: allow us to have recourse to Her, whom in humility Thou allowed to crush the head of the Serpent, so that we, confident and repentant, may see our prayers answered.

As our High Priest, intercede with the Father and the Holy Spirit so that Thou, Most Holy and Undivided Trinity, may free us from the assaults of an enemy who is all the more ferocious the closer the inexorable hour of his eternal defeat approaches.

May Mary Most Holy, Your Living Tabernacle, the Ark of the Covenant, vanquish Satan and his hosts. We place in the hands of your most August Mother, all the misery of our supplications, our fasting, and our penances; aware that She, Mediatrix of all Graces and Help of Christians, will be able to present them before Thee and ask for Thy forgiveness bringing about an end to these terrible days of subversion and apostasy.

And, as the Immaculate Virgin was united with Thy Passion as Co-Redemptrix, so we implore Thee to unite Thyself to the Passion of the Church, Thy mystical Body, so that the treasures of Graces of our Redemption through Thy Cross may they still be

poured out on the Holy Church, on her Ministers, on all the faithful and on the many souls Thou hast regenerated in the Font of Baptism.

Have mercy on Thy flock, abandoned by the shepherds and left at the mercy of predatory wolves.

Have mercy on the Bishops and Priests who suffer persecution for being faithful to Thee.

Have mercy on the men and women religious who implore Thee in the silence of their cloisters.

Have mercy on the faithful, hungry for the heavenly food of the Most Holy Eucharist and thirst for the pure water of Thy Word.

And if the authority of the Chief Shepherd, whom Thou established on earth as Thy Vicar, is today usurped to disperse the flock and become an accomplice to the workers of iniquity, deign to open the eyes of those who refuse to see the massacre of innocents that is taking place, the ruin of so many souls destined for the glory of Heaven, the scandalization of the little ones.

Touch the hearts of the Pastors who gather in the Synod: give them the courage to defend strenuously, even to the point of sacrificing their lives, that immutable treasure of Faith and Morals that the Apostles transmitted to us intact.

Send Thy Spirit, the Consoler, to enlighten misguided minds. Inflammate sterile and rebellious hearts with the fire of Thy Charity. Awaken in Thy Ministers apostolic zeal for the salvation of souls, for the honor of the Holy Church, and for Thy Glory. Restore virile pride to the Consecrated, so that they may have Thee as a model of purity and sanctity and let them avoid the corruption of vices and the plague of impurity.

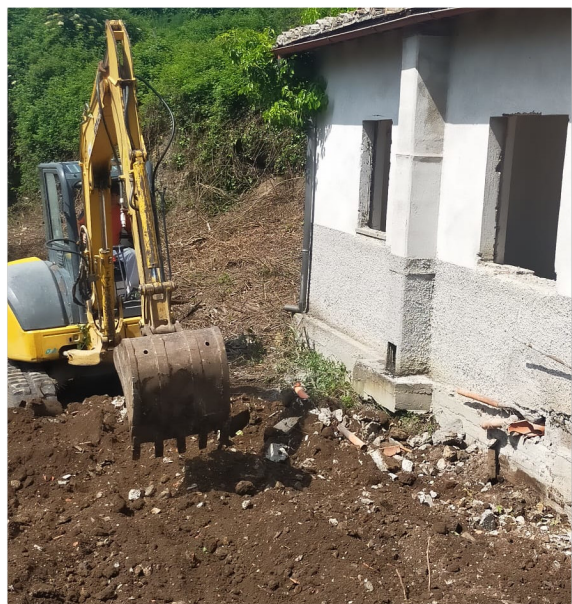

Inspire those in authority with feelings of true repentance and resolutions of sincere reparation for the scandals that humiliate Thy Bride and disgust souls, so that the Calvary that the Church will have to climb, following Thine example, in order to merit eternal glory, may find us and our Pastors worthy of fighting the spiritual battle that awaits us under Thy holy insignia and under the protective mantle of Thy Most August Mother.

And so may it be.

Letter from the President
Summer didn't stop us

Dear Friends and Benefactors of *Exsurge Domine*, may my cordial greetings in the Lord reach you all! I turn to you, for the second time, to inform you about the progress of the renovation work on the premises where the new monastery of the Nuns of Pienza will be built, since the work did not stop even in the month of August, to meet the deadlines.

You will be pleased to know that demolition work, cleaning, clearing, collection and disposal of debris has continued, both in the building where the common area will be built, and in the one where the living area will be built, and finally in the guest quarters.

In the building where the common area will be built, masonry work has begun for the new division of the interior spaces, and work has begun on the re-roofing, which was in a

precarious situation, as well as the new floors and walls.

Numerous excavations were then carried out to allow for the refurbishment, and the necessary connections between the various buildings, of the water and electrical systems, which will allow all the buildings concerned to enjoy new, up-to-date systems. All this was possible thanks to the generosity of each one of you, who accepted my invitation to participate in the realisation of our first major project. May the Lord reward you as you deserve!

Obviously, to those who wish to know in more detail the expenses incurred, I will send an appropriate report. However, there is still much to be done: completing the masonry work, the floors and the roof in the building where the communal area will be built, as well as in the residential area and the guest quarters, and the completion of all the installations still require the commitment of each of you to be realised.

For this reason, I do not hesitate to ask you to renew your liberal offerings, because soon the new “state of progress” will arrive, and with it the invoices from the company to be honoured. I count on all of you so that the work may continue and the suffering of the poor nuns may cease, and that they may soon begin their new life in their new monastery.

In Domino,

Giuseppe Vannicelli Casoni
President
